2.4	Bolter stands next to George, who is summoning up his battledroids. He looks on with s bit of disgust.	<p>BOLTER I am fine, but I can't say the same about whatsitsface over there. Whoever he is.</p>

4.4	The newly arrived hero stands up and bows. He starts speaking with a slightly grave voice.	<p>GREEN SKULL I am sorry that I disturbed you with this fight. He managed to elude me for a bit. But I thank thee for your help.</p>
4.5	Bolter and George look at each other in surprise.	
4.6	Then Bolter extends his hand as a sign of good faith.	<p>BOLTER Don't worry about it, we're glad we could be of assistance. Life has been slow for a while actually. And hanging out in clubs is not all that. I am Bolter by the way.</p>

5.1	Green Skull looks at the still downed brute. Bolter and George do the same.	<p>BOLTER So, eh, what is that thing?</p>
5.2	A memory of Green Skull kicks in. He has a form of instant recollection so he describes everything in great detail. We see him reading a large book which emanates a green smoke. He is speaking in some sort of demonique tongue.	<p>Caption: "I was experimenting with a form of demon invocation. My family originates from Tibet, specifically a certain group of monks, that wanted to save the country from the Chinese. For millenia they had the power to summon and control demons, and I discovered their ancient manuscript."</p>
5.3	A small green glowing line begins to appear inside his house, where various artifacts from around the world are displayed. Green Skull continues to speak in tongue.	<p>Caption: "You see, I knew I had special powers. I just wanted to make sure I was not alone and that I had backup I could count on. So I decided to summon forth my own demon. Only, the invocation was disturbed by my brother in law."</p> <p>BROTHER IN LAW What are you...?</p>
5.4	A door swings open, and a man steps inside, straight into the green line which has become bigger. Startled, Green Skull stops his invocation.	<p>Caption: "Startled, I prematurely stopped reciting the necessary words and the portal I had opened started to warp. My brother in law was trapped inside it."</p> <p>BROTHER IN LAW Huh? Hey.. What is this? What...</p>
5.5	The portal's energy lashes out and Green Skull's brother in law starts to contort in strange directions. The energies also hit Green Skull, but the damage is lessened.	<p>Caption: "He started to change in front of my eyes and I am afraid some of the uncontrolled energies managed to hit me. However, I was knocked out and by the time I came to, he was gone."</p>

6.2	Bolter smiles and nods. George also smiles.	BOLTER Yes, well. We kind of did.  GEORGE FOSWELL We formed a so-called supergroup with some others, although we dont have a name yet.
6.3	An aerial view of the three with the brute still lying on the ground.	BOLTER You're welcome to join if you'd like, I think. We have to ask the other members first. Especially Shadow Wolf, I don't think he'd mind but he's not really fond of demonic powers.
6.4	Green Skull nods.	
6.5	The three shake hands and Green Skull readies himself to take away his twisted, but now fallen, brother in law.	GREEN SKULL I shall think about it, mind if we keep in touch?  BOLTER No, no problem at all. Hope to hear from you soon.
